About the Sponsors

Coastline Community College

Coastline Community College has an international reputation as one of the nation’s most innovative institutions. Founded in 1976, Coastline continues to deliver education through technology and a comprehensive curriculum. Unlike other colleges, Coastline does not have a traditional campus. Instead, classroom instruction is held at dozens of sites close to students’ homes and workplaces within the Coast Community College District service area.

**African American Male Education Network and
Development (A²MEND)**

The African American Male Educational Network and Development (A²MEND) organization is comprised of African American male administrators who utilize their scholarly and professional expertise and position to foster institutional change within the community college system. We aim to create an affirming academic and professional environment for African Americans with a particular focus on African American male students, faculty, staff, and administrators
